\$1,000 DONATED FOR PAVILION

The centennial committee in their efforts to raise through public subscription the additional \$15,000 needed to complete construction of the Rotary park pavilion project were given a \$1,000 boost toward their objective yesterday. Although the official drive for funds is not underway a preliminary campaign by Howard Patton, chairman of the committee, in speaking to service clubs, produced a

\$1,000 donation from the Penticton Kiwanis club. Shown receiving the donation in cash from Lawrence W. Swingle, president of the Kiwanis Club, right, is Howard Patton, left, chairman of the centennial committee while Imperial Bank manager P. W. Higgins looks on. A further \$400 has been pledged for the project by the Peach City Promenaders Square Dance Club.

530 Absent From School

An increase of 36 pupils and one teacher has brought the total of flu epidemic absentees from Penticton High School to 530, school principal H. D. Pritchard reported this morning.

Mr. Pritchard stated they are endeavoring to mark time in the schools with no new work being given students. By doing this students will not fall behind in their classes.

School authorities are hoping the influenza will reach its peak this weekend and then show a sharp decline.

Dock Workers Go on Strike

LONDON (Reuters) — Several hundred tally clerks, key cargo checkers, went on strike today in the port of London.

But more than 1,000 others in other parts of the port area ignored their unofficial strike call and went to work normally.

Union officials appealed to the strikers to stay at work in their own interests, pointing out that a continued stoppage could throw thousands of longshoremen out of work and cause a widespread hold-up of shipping.

The men are striking in protest against the dismissal of a man accused Tuesday of swearing at a port labor officer.

BULLETINS

ISSUES INJUNCTION

WASHINGTON (AP) — Judge F. Dickinson Letts ruled today that Teamsters Union bosses conspired to rig their recent union convention. He issued a preliminary injunction against president-elect James R. Hoffa's taking office, but refused to put the union in receivership.

ROCKET BLASTS OFF

CAPE CANAVERAL, Fla. (AP) — A Vanguard rocket blasted off the firing pad here today in a test of the vehicle designed to launch U.S. earth satellite. The missile, shaped like a rifle cartridge, was sent aloft by the navy in a trial of part of the launching vehicle expected to send an artificial moon in an orbit 300 miles above the earth.

ATOMIC DEPTH CHARGES

WASHINGTON (AP) — Defense Secretary Neil McElroy announced today the navy has perfected atomic depth charges and has already equipped some of its Atlantic defense forces with the new weapons. McElroy in making the statement lifted the lid on a long-secret project. He said the new anti-submarine devices are launched from airplanes.

Calls For Binding Arms Agreement

UNITED NATIONS, N.Y. (CP) — Canada, reminding the United Nations that its disarmament debate literally involves human survival called today for an agreement "based on something more substantial than mere promises."

SYRIANS DISCUSS STRATEGY

Two members of the Syrian delegation to the United Nations discuss their strategy in bringing a charge against Turkey. Ahmed Shukairy and Salah Bitar said that the Turkish buildup of forces on Syria's border is part of a "general plan" to invade Syria and ignite a world war. In the meantime, however, a temporary "hands off the Middle East" policy was in effect at the UN today following an assembly vote aimed at facilitating Saudi Arabia's efforts to mediate the crisis between Syria and Turkey. Syria still remains silent on whether she will participate in efforts by her sister Arab state to reconcile the two opposing sides in the explosive area.

Claims U.S. Planes Spotted Over Syria

DAMASCUS, Syria (AP) — Maj. Gen. Afif Bliry claimed today unidentified reconnaissance planes fly deep over Syria almost daily and expressed belief they are American.

The Syrian army chief of staff told a press conference planes fly over the city of Homs, about 100 miles from Damascus, and added, "We believe planes are not coming from Turkey, but from the U.S. 6th Fleet in the Mediterranean because this fleet is working together with the massing of Turkish troops on the Syrian border."

He said Turkish troop concentrations began after U.S. Undersecretary of State Henderson's visit to the Middle East.

MEDIATION OUT

The Syrian government also announced it had ruled out mediation with Turkey on the border crisis because this might hamper Syria's case before the United Nations.

An official statement last night attempting to "clarify" confusion over a reported mediation offer by Saudi Arabia's King Saud said Syria is determined to follow up its complaint in the UN General Assembly and rule out everything that might restrict the United Nations in handling this case.

The issue, it said, can be settled simply by "Turkey withdrawing concentrations on the Syrian border."

Clerks Receive Top Certificates

VERNON — Ian Garvey, city clerk, and James Griffin, assistant city clerk, both received certificates during council meeting last night.

The certificates were issued by the faculty of commerce and administration, at the University of British Columbia.

Both Garvey and Griffin, have just completed the four year course in business administration, necessary for endowment of such certificates.

The presentation of the awards was made by Mayor Becker.

Gas Installation Assessment Aired

Procedure to be followed in assessment of natural gas installations was discussed at a meeting in Penticton yesterday of municipal assessors, provincial assessors and Inland Natural Gas Company officials.

Some 25 persons were present from communities being served by the gas lines.

Company officials present included John Southworth, assistant to the president, and D. McPhail, solicitor.

War Pension Act Changes Planned

OTTAWA (CP) — The government today gave notice it will introduce a resolution in the Commons calling for increased war veterans' allowances and changes in the War Veterans' Pension Act.

A resolution precedes introduction of a bill.

The resolution on the order paper gave no further details on changes in war veterans' allowances.

Officials said details will not be made public until Veterans' Affairs Minister Brooks speaks on the resolution in the Commons.

However, it is understood that ceilings will be increased on the

amount of income a needy veteran may earn and still receive the allowances. Married veterans now get \$120 a month and single veterans \$60. The rate for single veterans may be increased to \$80.

It is also believed that veterans who served in the United Kingdom only during the First World War will be made eligible for allowances. Allowances now are confined to needy veterans who served in France.

The resolution listed several changes in the Pensions Act. One will ensure that pensions may be paid to dependents of deceased servicemen resident in Newfoundland.

Another will provide an increase in the clothing allowance on account of amputation or use of appliances, another an increase in allowances for funeral and burial expenses.

Ceilings on permissible income now are \$1,620 a year for married veterans and \$960 annually for single veterans. These ceilings may be raised to \$2,000 and \$1,200, respectively.

Raps Confused Forest Policies

TORONTO (CP) — Gordon Godwin, paper company executive, today accused the Ontario and British Columbia governments of confusing the public on their forestry policies.

Mr. Godwin, in an address to the 49th annual Canadian Institute of Forestry convention, said the public would be more interested in forestry policy if they did not have to puzzle out what their government's stand was.

The woodlands manager of the Ontario Paper Co. Ltd., Thorold, Ont., said that in British Columbia and Ontario "we see provincial governments encouraging forest industry to establish new plants and enlarge old ones then turning around and demanding payment in the form of logging tax beyond the uniform rate of taxation applied to other business profits."

Revolt Marked By Ceremony

LONDON (CP) — The anniversary of the beginning of last October's Hungarian revolt against Russian domination was marked today by simple ceremonies and tributes in newspapers to the heroes of the unsuccessful bid for freedom.

Hungarian refugees placed a wreath at the cenotaph here, dedicated "to those who died for freedom from those who fight for freedom."

The group later went to the Russian Embassy and 10 Downing Street to present resolutions calling for the withdrawal of Russian troops from Hungary and the restoration of the fundamental rights of the Hungarian people.

Vice Ring Smashed in Hollywood

HOLLYWOOD (AP) — Police today smashed what they described as a Hollywood vice ring that made lewd movies in color, starring a beautiful model, and distributed them throughout the world.

Investigators said the model and "star" of the hot movies was Barbara Jean Elliott, 23, and that the pictures were made at a 10-acre estate in the exclusive Bel Air district.

Stops U.S. Aid To Yugoslavia

WASHINGTON (AP) — State Secretary Dulles has decided to suspend the bulk of U.S. aid to Yugoslavia, including jet planes, because of President Tito's recognition of Communist East Germany.

The decision has been discussed with U.S. allies in Western Europe, particularly Britain, but details of its exact application are still being worked out.

Missing Boy Found Dead By Searchers

VANCOUVER (CP) — The body of an 18-month-old child, missing since he wandered away from the home of a next door neighbor Tuesday morning, was found today about a block away in suburban Burnaby.

Searchers found the child, David Binstead, lying face down in mud.

Cause of death was not immediately determined.

Hundreds of volunteers searched the Burnaby-New Westminster border area until late Tuesday night. A smaller corps carried on the search throughout the night.

His parents, Mr. and Mrs. F. D. Binstead, left him and a four-year-old brother in the care of a neighbor, Mrs. A. Y. McKinley, when they went to work Tuesday morning.

The two Binstead children, and Scott McKinley, 3, played about the McKinley house. After about an hour the other boys entered the house, but David and his dog Laddy were missing. The boys said David had "gone into the bush," but they did not know where.

Less than an hour later Laddy returned. Mrs. McKinley called the police. She tried to get Laddy to lead her to where he had left his young master, but was unsuccessful.

Sputnik Weathers Meteorite Shower

MOSCOW (AP) — The Russian satellite Sputnik has weathered a shower of meteorites from Halley's Comet and has travelled a distance of 30 times greater than that from the earth to the moon, the Soviet Union said today.

The meteorite bombardment, which started Oct. 19, reached its greatest intensity Tuesday.

Unemployment Total Increases By 20,000

OTTAWA, (CP) — Canada's unemployment total, usually stable at this time of the year, jumped by 20,000 during September to 194,000; the government's employment survey showed today.

The jobless represent 3.2 per cent of the labor force, almost double the 1.7 per cent a year ago. At the same time there were 5,854,000 persons with jobs, a drop of 103,000 from the previous month's record total of 5,957,000. The total at work, estimated by the bureau of statistics, was 178,000 more than a year ago.

The employment analysis by the labor department said employment appeared to strengthen in September, after weakening slightly during August. Numerous layoffs were reported in industries producing automobiles and parts, wood, iron and steel products.

HOUSING RESPONSIBLE

The report said increased housing construction was responsible

for some of the total employment increase over last year. Continued expansion of chemical, oil refining, aircraft and shipbuilding industries kept manufacturing employment higher than a year ago. A substantial number of new jobs were provided by the steady expansion of service industries.

The summary said that although employment was markedly higher than a year earlier, an even greater growth of the labor force resulted in the increase in unemployment. The federal government has ordered restrictions on the flow of immigration for the remainder of 1957.

More Snow Falls As Winter Nears

VANCOUVER (CP) — Snow fell in the Okanagan and Kootenay districts last night and zero temperatures were predicted for the Prince George region as winter edged nearer in B.C.

In Penticton the weather forecast is for intermittent snow mixed with rain this afternoon. It will be a little milder, however, with light winds.

More than nine inches of snow fell in Cranbrook, disrupting telegraph communications between Nelson and Trail. No serious accidents were reported. Rossland reported six inches of snow.

In Vancouver and Victoria, temperatures are expected to fall to 35 in the island city with a high 50 today. In Vancouver 28 and 50 are forecast, the lowest for this time of October in eight years.

Prince George's temperature was expected to fall to zero with the column of cold Arctic air that has out through Western Canada into the United States still has more snow to deliver as it moves east.

Weathermen said severe snowflurries which swept through Alberta and northern Saskatchewan yesterday would continue today.

Princess George's temperature was expected to fall to zero with the column of cold Arctic air that has out through Western Canada into the United States still has more snow to deliver as it moves east.

Red Deputy Takes Over Military Area

LONDON (Reuters) — A regional Soviet broadcast said today that Marshal Konstantin Rokossovsky, Russia's deputy defence minister, has taken over command of the trans-Caucasian military area.

Trans-Caucasia is a Soviet territory bordering Turkey and Iran.

Rokossovsky, 60, one of Russia's senior wartime commanders, was appointed deputy defence minister to Georgi Zhukov last November. He had previously served for seven years as Polish defence minister.

PETERBOROUGH, Ont., (CP) — A man and a youth pleaded guilty today to the \$3,718 armed robbery of the Norwood branch of the Royal Bank of Canada.

CANADIAN AGRICULTURE FORECASTS

Farmers' Earnings To Improve

OTTAWA (CP) — The Canadian farmer of 1960 likely will have a living standard closer to that of city folk than now. Farms will be more of a business operation, but there will be fewer farmers.

These forecasts are made in a bulky study of Canadian agriculture, made public today, which was prepared for the Gordon economic commission by professors W. M. Drummond of the Ontario Agricultural College and William MacKenzie of the University of Alberta.

"It is expected," they wrote, "that over the next 25 years incomes of farmers and farm workers will improve at approximately the same or slightly faster rate than the real income gains in the economy at large."

LIVING SCALE TO RISE
"Accompanying the gain in real income will be substantial changes and gains in the scale of farm family living."

A much larger proportion of food, fuel and the like consumed by farmers would be store-bought, rather than produced on the farm.

"The disparity between the content of living of people on farms and that of people in urban centres will be materially reduced."

"The family farm will be retained in most types of agriculture but will resemble a business operation to a much greater extent than today... there will be much greater sums of money to disburse. Mistakes of judgment will be costly

indeed, but wise decisions will pay off in higher rewards."

B.C. TO IMPORT MORE
British Columbia's food problem likely would become intensified. She now imports about 70 per cent of her beef. By 1960 she may be importing 80 per cent from the other provinces, along with butter and cheese.

"Despite increases within her own borders, British Columbia is destined to become even more dependent than in the past on other parts of Canada for meats and processed dairy products."

While the new revolution for farmers may brighten their future, they still would face many problems. Among them would be need of credit and capital.

But the study opposed any move towards easy credit arrangements, which could lead to increased production and lower prices or build up heavy competition for farm land and boost land costs.

To meet most needs, the present "institutional" arrangements for providing credit, such as banks and other organizations, would be adequate for the future. The study made some qualifications, such as farmers' need of credit in the event of some disaster, or to build up equipment and livestock or to pay off a partner retiring from a farm partnership.

The study suggested there is justification for continuing national effort in agricultural research.

Prime Minister Macmillan (left) came here today to appeal to President Eisenhower for restoration of the British-American partnership in scientific research. He said his single purpose is to "improve friendship and extend cooperation" between the two countries. Macmillan's plane landed at 9:17 a.m. EDT after an overnight flight from London. He was met by State Secretary Dulles who said that while the Communist world is "held together by force" the free world is united by "understanding."

NEW METHOD FOR CARRYING the thousands of coins collected from parking meters has made this task easier to handle for the city's traffic superintendent, Walter A. Cousins. The small drum, mounted on a two-wheel cart, can be easily moved from meter to meter and has replaced the old system of the officer being loaded down with a bag over his shoulder. As each meter is opened the contents of the small coin container — dimes, nickels and pennies — are dumped into a funnel attached to a hose pipe which is inserted into the locked drum. The entire process takes but a few seconds.

SERVING THE PUBLIC

Meters Watchdogs Of Parking Space

By LEN WALKER

Parking meters, the silent but ever-hungry watchdogs of Pen-ticton's parking habits, are a means of public service too, being installed to ensure that parking space in the downtown area is apportioned as fairly as possible.

True, the meters are also a source of revenue to the city but that is not their primary function. Unfortunately the revenue aspect is the most prominent in the minds of many citizens. To these people, meters are a nuisance. Some try to cheat the meters by inserting various objects instead of coins.

Proof of this was seen during a visit to the office of Walter Cousins, Pen-ticton Traffic Superintendent, who showed a variety of foreign coins as well as a few washers which had been inserted in city meters.

Mr. Cousins said that in Pen-ticton the practice of inserting washers in meters was rare but one city in the Okanagan received so many that they are packaged and sold to a hardware firm.

Among the foreign coins collected from the meters by the traffic officer are coins from England, Holland and Mexico. Coins from India and several European coun-

tries have also been retrieved on occasion. Some coins return to the meters again and again. For instance a five-cent coin, painted red with nail polish, has been used for meter fare many times in the past six weeks. A number of other marked coins have also been returned to city hall several times via the parking meter collections.

The manner in which the millions of coins are collected from the 275 meters weekly has been made easier with the acquisition of a mobile carrier. The container, a small drum attached to a two-wheeled cart, can be pushed from meter to meter with ease. This eliminates the burdensome chore of carrying a bag. Many cities including Victoria still use the old method.

The process of separating the dimes, nickels and pennies has been speeded up with electrically-driven machinery which sends each type of coin into a separate container. Upon separation the coins are placed in another machine which counts them after which they are rolled by a city hall employee and taken to the bank.

FULL-TIME MAINTENANCE
Maintenance of the clock-work

meters is a fulltime job. Working continuously repairing and cleaning the meters is George Hill. To enter his shop at the city hall is like walking into a jewelry store. Meters are ticking away on all sides and the clock-like workings are being cleaned in the same manner a jeweler cleans a watch or house-hold clock.

Each meter is checked twice a week with the second time being a full dress check when several coins are inserted to see if the machinery is working properly. Mr. Cousins pointed out however that ten minutes after being checked a meter can become damaged if a bent coin is forced through.

The meter heads themselves are removed once a year and given a complete overhaul. This process takes two and a half to three hours for each meter.

Many meters become fouled because of a sudden change in temperature. Reason for this is the expansion of the metal particularly in the spring and fall, Mr. Cousins said.

If heads are to be replaced with new models the cost is between \$70 and \$90 plus \$6 added for the post and installation.

A point, strong in the favor of the law, is that the meters are set to give roughly two to three minutes more parking time than the customer pays for. Mr. Cousins said this helped when a violator went to court.

SLEEPER COINS
A trick often used but to no avail here in Pen-ticton is what officers call the "sleeper-coin trick." A citizen places an extra coin in the meter hoping that if an officer arrives on the scene he will turn the knob thus dropping the coin and renewing the parking time. Neither RCMP nor city traffic officials work that way. Mr. Cousins said. Instead they issue a ticket when parking time has expired whether there is a coin set to go or not.

As a tip to the motorist, Mr. Cousins said the meter handle should always be turned with the right hand. If turned with the left hand it is impossible to turn the handle completely. Once the turn is stopped it is impossible to start again without inserting a second coin.

P.T.A. INSTALLATION

H. D. Pritchard, principal of Pen-ticton High School, will officially install newly-elected officers of the Junior-Senior High School Parent-Teacher Association when it meets tomorrow evening at 8:00 p.m. in Room 31 of the high school. A large crowd is expected to turn out to hear a panel discussion on co-operation between parents and teachers.

EDUCATION DEGREES

Kathleen Helen Eisenhut of Oliver will receive her bachelor of education degree from the University of British Columbia, Oct. 25 during the colorful and traditional fall convocation ceremonies at UBC. A total of 405 degrees and 53 diplomas will be conferred on graduating students including, as was reported previously, three students from Pen-ticton and two from Summerland.

SUMMERLAND PACKING HOUSE CONTRACT TO KELOWNA FIRM

SUMMERLAND—Board members of the Summerland Co-operative Association Tuesday, awarded the contract for construction of the building for their new packing house and cold storage plant to Busch Construction of Kelowna.

The Busch Construction company had the lowest of eight bids received. Their bid was \$278,756. Work has started on the construction of the \$500,000 plant.

BRIGADIER C. W. HILTZ

A special service with Brigadier Carl W. Hiltz of Vancouver as guest speaker will be held in the Salvation Army Hall at Pen-ticton, Friday evening at 8 p.m. Brigadier Hiltz, in charge of evangelical work of the Salvation Army in B.C. south, was educated in Halifax County Academy and Dalhousie University and was commissioned as Salvation Army officer in June, 1924.

Cornwall Cannery Votes To Retain Federation

Oliver Centennial Fete July 21, 1958

OLIVER—The Oliver Centennial Committee Monday night set July 21, 1958, as the date for Aprioc Fundae and the official celebration of B.C.'s Centennial. The school band will be asked to participate.

Other highlights of 1958 will be a concert by the Vancouver Symphony orchestra May 13, a Prayer Day sometime in April, and Holiday Theatre in October. Mart Ken-

ny will be asked to come.

The historical caravan will also pass through here and the Boy Scouts will light two beacons fires sometime in the spring.

Acting on the centennial committee are Doug Smithers, Vic Casorso, Frank McDonald, Harry Carter, Dave Smith, Bishop Stanford, Cess Duggan and Bill Pearson.

The Federation of Fruit and Vegetable Workers Union Local No. 12, Summerland, has successfully defeated a decertification application in Cornwall Cannery, Summerland.

In a government-supervised vote taken by Labor Relations Board officials, the workers voted by a large majority to retain the Federation's Local No. 12 as their bargaining agent thus paving the way for the union to take action on a number of matters that have been held over the past one and a half years, first by the Supreme Court case against Teamsters' Union Local 48, and then by the decertification proceedings.

A. L. Kanester, business agent, acted as scrutineer for the Union and R. Lawley was scrutineer for the company.

Mr. Kanester said "we are pleased with the vote which was very representative, and we are sure that this will result in a consolidation of the union in this plant and let us get on with the job of dealing with the company in a realistic manner."

Snowfall Earliest Since Oct., 1945

The earliest snow fall since Oct. 22, 1945 was reported this morning in the Pen-ticton district when a total of 1.1 inches of snow was recorded at the Summerland Experimental Farm during the night.

In October 1945 a total of 3.4 inches fell according to the farm's records.

Airport officials at Pen-ticton reported a total snow fall up to 10 a.m. this morning of .5 inches.

Officials stated the fall was a little heavier within the city and that more snow mixed with rain is forecast for Thursday.

It was reported planes were arriving and leaving the Pen-ticton airport on schedule although skies remained cloudy throughout the morning.

William Just Dies in Alberta

Funeral services will be held Saturday afternoon from Pen-ticton Funeral Chapel for William Just, 69, of Pen-ticton, who died at Vermilion, Alberta, Oct. 18.

Mr. Just, who resided at 504 Van Home Street, is survived by his wife, Anna; two brothers, Justav and Fred in Alberta; seven nieces and one nephew.

Rev. L. A. Gabert will officiate at the funeral rites with burial in Lakeview Cemetery.

Brian Cullum Funeral Held

Funeral services for Brian William Cullum, 15, of Cold Lake, Alta., formerly of Pen-ticton, were held in Cold Lake, Oct. 19.

The youth was accidentally shot in the head by another child while playing after school on Oct. 16. He died instantly.

He is survived by his parents, Mr. and Mrs. Walter Cullum of Cold Lake; two sisters, Avis and Gail and one brother Barry at home; a grandmother, Mrs. Gertrude Cullum of Pen-ticton and grandparents Mr. and Mrs. Albert Johnson of Fort Kent, Alta.

LARGEST HERALD ROUTE

Largest paper route among Pen-ticton Herald carriers belongs to Terry MacDermott, 13, of 685 Haywood Street, who delivers 70 papers to residents of the western central part of Pen-ticton. Terry, who has been a Herald carrier boy for two and a half years, is a grade eight student at Pen-ticton Junior-Senior High School. Keen about baseball and basketball, the enterprising youngster is also an ardent reader.

LONDON, (AP) — The 1957 Soviet wheat crop is about 25 per cent below expectations, a Western diplomat in close touch with the Moscow scene estimates.

"There is no immediate danger of widespread hunger," the diplomat said, "because the Russians can fall back on stockpiles from the 1956 bumper crop."

ATTENTION ELKS

ELECTION OF OFFICERS

will be held at the regular meeting at the home

WED., Oct. 23rd

At 8:00 p.m.

Come out and help elect a good slate of officers.

You'll find my CHERRY DUMPLINGS easy to make!

Turn out into broad saucepan or electric frypan
1 can (approx. 18 ounces) cherries and syrup
Add and stir until sugar is dissolved
1/2 cup granulated sugar
1/2 cup water
Cover and bring just to boiling point.

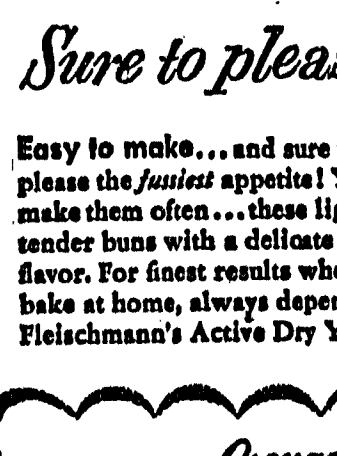

Meanwhile, sift together into a bowl
1 1/2 cups once-sifted pastry flour or 1 1/2 cups once-sifted all-purpose flour
2 1/2 teaspoons Magic Baking Powder
1/2 teaspoon salt
2 tablespoons granulated sugar
Cut in finely
2 tablespoons chilled shortening
Mix in
1/2 teaspoon grated orange rind

Make a well in dry ingredients and mix lightly with a fork, adding more milk, if necessary, to make a drop dough. Drop by large spoonfuls over cherries. Cover and simmer 15 minutes, without lifting lid. Serve immediately. Yield: 4 or 5 servings.

Guard against failures... use dependable MAGIC Baking Powder. MAGIC protects all your ingredients, gives you light, tender baked goods. Buy MAGIC today!

Sure to please!

Easy to make... and sure to please the *finest* appetite! You'll make them often... these light tender buns with a delicate orange flavor. For finest results when you bake at home, always depend on Fleischmann's Active Dry Yeast!

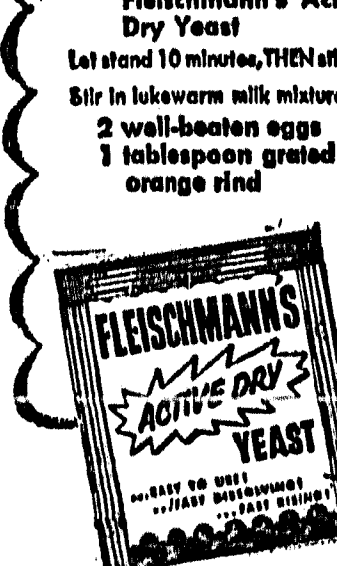

Orange Blossom Buns

1. Scald 1/2 cup milk
Stir in 1/2 cup granulated sugar
1 1/2 teaspoons salt
1/2 cup shortening
Cool to lukewarm.

2. Meanwhile, measure into bowl 1 1/2 cup lukewarm water
Stir in 2 teaspoons granulated sugar
Sprinkle with contents of 2 envelopes Fleischmann's Active Dry Yeast
Let stand 10 minutes, THEN stir well.
Stir in lukewarm milk mixture and 2 well-beaten eggs
1 tablespoon grated orange rind

3. Turn out dough on lightly-floured board. Knead until smooth and elastic. Place in greased bowl. Brush with melted butter or margarine. Cover. Let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

4. Punch down dough. Halve the dough, form each half into an 8-inch roll. Cut each roll into 8 equal pieces, form into smooth balls. Place in greased muffin pans. Brush with melted butter or margarine. Cover. Let rise until doubled in bulk, about 1 hour. Dip 16 cubes of sugar one at a time, into a little orange juice and press a cube into top of each bun. Bake in a moderately hot oven, 375°, about 23 minutes. Yield—16 buns.

Needs no refrigeration

Australia Leads The Way By Encouraging Scientists

Australian scientists have reacted swiftly to Russia's Sputnik. Alarmed, as most nations have been by the frightening aspect of Russians in space, the Australian government is already considering suggestions from its top advisers as to how to increase the number of students in university science courses.

Three important reports are before the government. The Australian Academy of Science is urging greater government aid for scientific experiments. From the Ministry of Labor is a report on scientific manpower down under, and from the Australian Universities committee in a report on the future of scientific education.

As in Canada the Australian government has been faced in the past with lack of jobs for the trained scientist. Some industrialists in both countries still insist that they are not yet geared to take any big increases in the number of scientists. Most, however, say this thinking is out of date and urge immediate and rapid steps to place Australia in a competing position in the scientific world.

Making students science minded has always been a problem in the past, but with the entire universe offering new

fields to conquer and prospects of adventure in the unknown, youngsters would respond to the challenge with the fearlessness of youth if scholarships made it possible.

Professor Harry Messel of Sydney University has warned the Australian government that unless it becomes more science minded it could be defeated in any future war without a shot being fired.

There appears to be a doldrum-like calm in Canadian government circles regarding our position in scientific affairs. It is possible that we have become so used to being overshadowed by our neighbor's scientific achievements that we now look to Uncle Sam for our hope and salvation. If this thinking is prevalent among our leaders it is high time other thoughts were forthcoming.

Australia is taking a realistic view of the present situation and responding with a speed that is commendable. Canada would do well to follow the Australian example and commence work as soon as possible to modernize university equipment and offer special scholarships to the students keen on making science their career.

FEARLESS FAUBUS

Housing Construction Falls Behind In Canada

By THE CANADIAN PRESS

Construction of new housing units, particularly in Manitoba, is falling behind the pace set last year in Canada, and at least three major centres report a shortage of low-rental housing.

A scientific sample survey by the Dominion Bureau of Statistics shows that an estimated 59,145 housing units were built in the 10 provinces during the first half of this year.

This is behind last year when 135,700 new units, the highest total since the Second World War ended, were built during the full year.

These figures include both houses and apartments. NEED CHEAPER HOUSING Edmonton and Toronto, two of the fastest-growing cities in Canada, both have shortages of low-rental housing, a Canadian Press survey showed. Regina is in the same boat.

But Quebec City, in a province noted for its high birth rate, has 39,103 families fitting into 39,156 houses, at the last count.

Most housing units there are too small and this is reflected in a trend toward a house building rather than apartment building.

There is no real housing problem in Montreal where building is greater than last year and Winnipeg is even better off.

The Manitoba capital is one of the few prairie cities where building has outstripped demand. A recent count showed it had 288 new houses vacant. Last February 608 new houses were unoccupied.

Metropolitan Toronto, embracing 13 municipalities including the city of Toronto, has three low-rental, government-subsidized housing projects under way, one nearly completed. These developments, two of them slum-clearance projects, will provide 3,500 dwelling units, most of them in apartment buildings.

IN OTHER CITIES Other cities with subsidized low-rental housing projects include Halifax, Saint John and Montreal. Edmonton which needs 1,000 low-rental houses immediately, has no such projects. One builder blamed the federal government's tight-money policy for the city's plight.

In Metropolitan Toronto, where houses in the \$12,000 to \$14,000 group are scarce, houses in the \$20,000-up category far exceed demand.

In the city of Toronto land is so valuable and so scarce that lots are used predominantly for apartment buildings. Demand for apartments in downtown Toronto exceeds supply.

Building is falling off in Metropolitan Toronto this year, compared to last. In the first six months of 1957 a total of 7,177 dwelling units were constructed. This is behind last year's pace when 17,943 units were constructed and even farther behind the record year, 1955, when 22,105 were built.

British Columbia builders predicted a gloomy year for housing building earlier this year, but the situation has improved since.

VANCOUVER IMPROVEMENT The improvement is reflected in Vancouver, where 840 houses were completed this year by the end of September. This pace is still well below that of 1948, the peak year since the Second World War, when 3,367 houses went up.

Contractors in Newfoundland report a decided slow-down in building private homes due to the existing tight-money policy. A housing shortage has existed since 1941 when Pepperell United States Air base moved in some 1,500 families who usually rent rather than build

or buy. Rents are 2 1/2 times higher than in 1945.

Ontario leads all provinces in the number of new dwelling units built in the first half of the year. The DBS survey shows that an estimated 22,914 units have been completed, just a little behind last year, when 51,201 units were built all year.

Quebec building also appears to be behind last year. An estimated 16,659 units have gone up for the first half of 1957. Last year 41,166 were built.

The bureau estimated 7,518

houses were built in British Columbia in the first half of the year compared to 14,990 for all of 1956.

Manitoba is well behind. In the first half of 1957, an estimated 1,829 houses were built, compared to 6,438 for all of last year.

Other provincial totals for the first half of 1957, with the complete 1956 figure in brackets: Alberta, 4,926 (11,622); New Brunswick, 1,438 (2,450); Saskatchewan, 1,909 (3,603); Nova Scotia, 1,197 (2,549); Prince Edward Island, 76 (171) and Newfoundland 679 (1,510).

INTERPRETING THE NEWS

Move to Restore The Grand Alliance

By GEORGE KITCHEN (Canadian Press Staff Writer)

The United Kingdom and the United States move this week to restore to its full power the grand alliance between the two great English-speaking allies.

That is the real significance behind the visit of Britain's Prime Minister Macmillan to pay this week to President Eisenhower in Washington to discuss what is officially described as world problems "of active concern to both of us."

This meeting thus is of great importance to Canada and the rest of the Commonwealth. It will mean, if it proceeds as planned, the full restoration of the Anglo-American relationship so badly strained when the United Kingdom went to war against Egypt a year ago without consulting or advising her U.S. ally.

BROAD FRONT Significantly, too, the meeting.

EDITOR'S FORUM

OUR GREATEST HERITAGE (Lady Smith Chronicle)

Some Canadians who witnessed the excellent TV coverage of the opening of the Canadian Parliament Monday have complained that the ceremony is encumbered with meaningless ceremony. Nothing could be farther from the truth. Carried over as it is from the Mother of Parliaments, the ceremony has tremendous significance for every person on this continent who cherishes the parliamentary freedoms which we enjoy.

The ceremony symbolizes the great struggle which took place only a few hundred years ago to establish parliamentary government as we now know it and its re-enactment each year serves as a continuing reminder of the high price that was paid for the freedoms which we now take as a matter of course.

THE BELL RINGER (Ottawa Citizen)

To the Dominion Carillonneur, Mr. Robert Donnell, fell some of the hardest work during the royal visit. Tchaikovsky's 1812 overture, for example, a highlight of the auxiliary program, played by massed bands (warmly applauded by thousands lounging on Parliament Hill), was "complete with the guns of the RCN and the Peace Tower Carillon." It was Mr. Donnell, unseen and unheralded, who provided the bells of Moscow and on other occasions labored mightily at his job.

LETTERS TO THE EDITOR

CALLS FOR CRACKDOWN

An Open Letter to the Penticton Traffic Committee:

As a business owner and taxpayer in this city, I would like to know why it is that our Traffic Committee spends its time debating such trivial matters as "the cost per day, to contractors, of hooded parking meters," when there are hundreds of children, and older folk, endangering their lives (and terrorizing the motorists) by riding bicycles after dark without proper illumination.

This bicycle problem is a serious matter. It is high time something was done about it.

May we hope for concrete action soon from our Penticton Traffic Committee.

Elwyn Morton, 541 Main St.

Editor, The Herald.

Sir:

CENTENNIAL PROJECT

How can an unbiased decision be made by our city council on the Centennial Pavilion project when three of the Aldermen are members of the Centennial Committee? It has also been disclosed that the three senior members of the staff at the city hall are members of the same committee. With such a set up how can the majority of the forty-three hundred taxpayers opposed to the centennial pavilion express their feelings if a money-by-law is denied them? Why do we have to conduct our civic business in such an unfair manner when thousands of dollars of taxes are being spent in such an unnecessary project and at a time when taxes are rapidly becoming a burden to many of our citizens.

I am opposed to building a Centennial Pavilion on the lake shore. I prefer to keep our natural asset, the beach, and to preserve the view of the lake and retain Rotary Park for the pleasure of the tourists and our citizens including the children to whom it was given.

There are two projects with much more merit and utility.

I refer to the Old Folks housing scheme presented by Mr. Hull to be financed by the Federal and Provincial governments with the city paying a one-third share.

Project number two. I would like to see Penticton with a Centennial Park such as the Kelowna city park with its checker boards, card tables, tennis courts, bowling greens, football field and tables in number where tourists and visitors mingle with local citizens while enjoying a picnic in the park.

Kamloops has a similar set up in a beautiful setting facing the two Thompson rivers where they unite on their way to the mighty Fraser.

In the words of Mayor Charles E. Oliver, "It is not too late to do what is right with the taxpayers' money."

The park land can be dedicated as a Centennial Park and the work can be done as an unemployment relief project which will be badly needed today.

I carry my loyalty in my heart, not on my lips, and I might say that it is difficult to maintain your civic pride if you are denied any say in the spending of your taxes.

If this Centennial Pavilion Project is railroaded through without an expression of the taxpayers' opinion, I think we should have the resignation of the city aldermen and the discharge of the city staff doing the pushing.

Yours truly, R. J. Hays.

Editor, The Herald.

Sir:

FOR HOT RODS

Congratulations on your article "Staid Old Britain." As you rightly say, Britain holds the world's air, sea and land speed records. She also has a few ideas that might keep the accident rate down and stop the fire burning round the town on Saturday nights. Don't blame the kids for letting off steam, but in "Staid Old Britain" they are encouraged by parents, police, and town councillors, etc., to join or form clubs that hold sprints, hill-climbs, cross country, grass track or road races on proper tracks.

They are encouraged to race not just to win, but for the fun of it, also to learn to control their motorcycles and cars in any emergency that comes up.

Furthermore it need not be expensive, a lot of fun can be had with an old motorcycle in cross country races round tracks of half a mile or more in length and there is plenty of rough country roads around Penticton to choose from.

This year there was only one event (a hill climb) in the Valley and only two or three "local" entrants entered for it which surprised me as I thought there would be a strong entry from all the "V" eight and sports cars to be seen in town.

Next year we are celebrating the B.C. Centenary, but as we are celebrating progress couldn't we have something different from Pavilion, Peach Festivals and Square Dancing? Something more in keeping with 1953 than 1853?

Yours,

"Staid Old Britain"

but "Teen-Age" supporter.

(Name and address supplied).

Canada's output of pulp and paper exceeds in value the total annual production of wheat and all other grains combined; it equals the national annual output of the mines including precious metals, base metals, iron ore, asbestos, and coal; and it is half again as great as the value of the automobile industry's output. Pulp and paper is Canada's one outstanding industry.

THE BACKWARD GLANCE

50 YEARS AGO
October, 1907 — J. C. Reilly of Orlala brought some samples of ore to Penticton, among them a specimen of tantalite. "This mineral is worth ten dollars a gram and is used in the manufacture of incandescent lights," he said. . . . Const. Tooth had received orders from Victoria to enforce game act provisions precluding those under 14 from carrying firearms, unless accompanied by an adult. . . .

40 YEARS AGO
October, 1917 — Announcement was made that a power line was to be built by the West Kootenay Power & Light Co. to serve the new development at Copper Mountain. . . . Fruit crop reports showed that cherries, which had been rather early, had provided a good return, but that apricots had proved a disappointing crop. . . . An Ottawa despatch said that fruit prices would be fixed by the federal price controller under wartime controls.

30 YEARS AGO
October, 1927 — Another mudslide had blocked the road to Summerland. This time the blockage

occurred just south of Crescent Beach on the north side of Summerland (old lower road). . . . The municipal council was informed it could not get preferred insurance rates on buildings at the recreation grounds (Queen's Park) if they were used for storing curing tobacco. Council planned to collect the difference in rate from C. E. Burch, owner of the tobacco. . . . Councillor D. S. Riddan said the town made a big mistake when it failed to send a representative to the Union of B.C. Municipalities convention. "We were the only town not represented," Mr. Riddan stated. . . .

20 YEARS AGO
October, 1937 — No report had been received from the provincial department of municipal affairs regarding the proposed separation plan whereby Penticton would "split" its rural from its urban areas, thus forming two distinct communities. . . . Oliver — A new fruit drying plant was started here. . . . Word was received of the death of Henry Main, pioneer Penticton druggist, who passed away at New Westminster. . . .

10 YEARS AGO
October, 1947 — Another mudslide had blocked the road to Summerland. This time the blockage

MR. AND MRS. GEORGE DOUGLAS OATES

—Robert Morrison of Stocks.

Pretty Autumn Blooms Decorate United Church For Oates - Peel Rites

SUMMERLAND — Pentition United Church was decorated with chrysanthemums and gladioli and lighted with the soft glow of candles for a lovely wedding on October 12 at 7:30 p.m. Rev. E. Rands officiated at the double ring ceremony where Margaret Anne, daughter of Mr. and Mrs. Harold Peel of Summerland, formerly of Pentition, became the bride of George Douglas Oates, son of C. R. Oates of Vancouver and the late Mrs. Oates.

The pretty bride wore a long sleeved lace jacket over her beautiful heavy white taffeta hooped wedding gown, floor length, and having a lace overskirt. The jacket fastened at the back with lace covered buttons and had a scalloped neckline, the scallops repeated at the bottom of the overskirt. She wore a little cap of white lace daisies to hold a chapel veil of illusion net, and carried a white Bible which held an orchid.

Mrs. Jack Low of Vancouver, as matron of honor, was in beige champagne taffeta, waist length with a V-neckline and three-quarter length sleeves. She wore a headband of bronze and yellow mums and carried the same flowers in an autumn bouquet.

Echoing the fall season was the frock of the bridesmaid, Miss Myrtle Cramer of Chilliwack whose burnt orange taffeta frock was made similarly to that of the matron of honor. Her flowers and bandeau were apricot and white spray type mums.

Little Janice Olson of Burnaby was the flower girl wearing a crinolined blue organdy, and carrying a colonial bouquet of rosebuds with yellow accents.

Don Cavston of Haney was best man, and ushers were the groom's brother, Rowland Oates of Vancouver, and Ted Pike, also of the coast city.

Mrs. Monica Craig Fisher was the organist and while the register was signed Mrs. R. H. Estabrook sang, "Because."

At the reception in the Masonic Temple guests sat down to a dinner served by the Maple Leaf Circle of the United Church. J. N. Kennedy of Pentition asked a blessing.

Miss McDougall of Pentition was master of ceremony and a toast to the bride was proposed by Harold Olson of Burnaby with the groom replying.

The best man gave the toast to the bridesmaids.

Later dancing was enjoyed with music supplied by Mrs. R. D. Mulligan.

The bride's travelling costume was a beige woollen dress with leopard skin marking the front and back at the waistline. With this a beige velvet hat and little veil were worn, with beige gloves and black accessories. The ensemble was topped with a sand colored short orlon jacket, and an orchid corsage.

After a honeymoon south of the border, the couple will make their

home at 3065 West 10th Ave., Vancouver.

The bride is a graduate of St. Paul's Hospital School of Nursing and was on the staff of the Pentition Hospital for two years.

Mrs. A. H. Cavston, Mark and Dick Cavston, Mr. and Mrs. Steve Koenig, Mr. and Mrs. D. Parsons, Keremeos; Mr. and Mrs. A. Cramer, Mr. and Mrs. O. Schultz, Chilliwack; Mrs. V. Wood, New Westminster; Mr. and Mrs. Burton Wood and family, Spokane.

Mr. and Mrs. Gordon Cramer, Mrs. Mildred Marshall, Arthur Marshall, George Cramer, Mr. and Mrs. James Peel, Robert Peel, Mr. and Mrs. Harley Brodie, Mr. and Mrs. Jack Low, Mr. and Mrs. Ted Pike, E. Blair Smith, Vancouver; Mr. and Mrs. H. Olson and family, Burnaby; Mrs. Isaac Morrow, Deroche; Mrs. Earl Mason, Nelson; Mrs. J. Cooper, Naramata and Mrs. J. Swales of Kaleden.

AROUND TOWN

Student Addresses Circle Meeting

Miss Erith Morgan, winner of the 1957 public speaking contest sponsored by the Odd Fellow and Rebekah Lodges of this district, addressed members of the United Church Jordanette Circle at their October meeting held at the home of Mrs. D. W. Forrest.

Miss Morgan, a Pentition High School student, was among those joining the annual United Nations Youth Pilgrimage to New York. In her very interesting talk, she pre-

sented highlights of her visit to the UN Assembly and illustrated her pleasing address with colored slides taken there and while en route east.

At the short business meeting prior to the evening's program, discussions focussed on the forthcoming fall bazaar of the United Church Women's Federation. The Jordanettes are sponsoring a booth of doll clothing and many of the pretty costumes were on display at the meeting.

The Pentition Chapter, Order of the DeMolay, has chosen Miss Marie Glaholm as "Sweetheart" for the current term. Miss Glaholm is the daughter of RCMP Corporal T. W. Glaholm and Mrs. Glaholm, Winnipeg street.

Mr. and Mrs. Wal' Thorpe were weekend visitors in...atchée.

Dr. and Mrs. H. P. Barr with daughters, Glennis and Elisabeth, spent the weekend in Vancouver.

A former Summerland resident, Kenneth P. Caple of Vancouver, regional supervisor for CBC, was a Sunday visitor at the home of Mr. and Mrs. E. A. Titchmarsh, Farrell street.

Variety of Brushes Help With Housework

By ELEANOR ROSS

Why not use a brush for every one of your household cleaning chores? Brushes are so efficient, so time-and-labor saving. You can wear your arm off trying to clean hard-to-get-to places and then not have them really clean, but the right brush would do a quick and thorough job with much less effort.

However, it isn't wise to use the same type of brush for every task. Don't feel that you're being extravagant by investing in a whole "wardrobe" of brushes. It's an investment that will pay off and the cash expenditure will prove a real economy in the long run.

RIGHT FOR THE JOB

You'll find just the right brush for scouring, one that has been carefully designed for the job. You'll find another for just such light-fingered jobs as brushing pastry or cleaning baby's bottles. There's a brush to clean radiators, for the corners on the stairs, for bathtubs. There's a brush for dispensing both suds and rinse water at the sink, another for cleaning Venetian blinds and lowered openings.

The point is one or even two brushes cannot be expected to do everything. One job requires long, narrow bristles, while another, to do its particular job, must be round or, perhaps, oval.

Handle lengths differ, depending on what you're cleaning.

SYNTHETIC BRISTLES

Synthetic bristles are being used on many of the new brushes. They resemble natural ones, but actually stay in shape and last longer. They are more sanitary because they are easier to keep clean since they can be boiled in suds.

Of course, the brush line-up for a beauty bath is also varied and expertly engineered. There's the small round palm brush for scrubbing knees and elbows, a little brush for cleaning hair combs, a big generous body brush to set you tingling all over and, of course, a good nail brush.

BATH GRIP

Incidentally, to make a tub safer for invalids, or elderly people, attach a bath grip to the side of the tub.

QUEEN'S VISIT HIGHLIGHTS ON OUR NEWSREEL ON WEDNESDAY ONLY

Tea, Drive For Senior Citizens

The Pentition Business and Professional Women's Club entertained senior citizens of this city on Sunday afternoon at the annual drive followed by tea aboard the SS Sicamous.

Eighty-seven guests were driven by club members to centres of interest within the city or to the adjoining countryside. On their return they were welcomed aboard the old sternwheeler by club president Mrs. Fred Mason and were tea guests of the individual club members.

At the conclusion of the very enjoyable afternoon, a vote of appreciation was extended to the hostess group by Henry Oke, president of the Old Age Pensioners Organization of Pentition. Each guest was presented with a bag of Okanagan apples on leaving the Sicamous.

Bazaar Plans Discussed At Kiwassa Club Meeting

Business concerning their annual bazaar on November 23 was of major interest to members of the Pentition Kiwassa Club at their October meeting Monday evening at the home of Mrs. Edgar Dewdney. Progress reports indicated that plans are well advanced for the club's annual fund raising project to be held at the Hotel Prince Charles.

An interesting report was submitted by Mrs. E. W. A. Cooper on a meeting of the Canadian Artists and Rheumatism Society attended by her as the Kiwassa representative. She outlined the work undertaken by CARS locally as well as that in Vancouver.

Following adjournment of the business Mrs. A. Earl Wells, president of the District Association for Mentally Handicapped, introduced the guest speaker of the evening, Mrs. Douglas Carter, teacher at the school for handicapped children here.

Mrs. Carter illustrated her very interesting talk with the film "Tuesday's Child" and told of her work with the little ones and the many problems to be met in helping them to adjust to school routine and the everyday way of living. She also touched briefly on the recent summer course she attended at Woodlands in Vancouver as part of her training for working with these less fortunate children.

At the conclusion of Mrs. Carter's talk, Mrs. Wells outlined the work of the school held here week day mornings at the United Church Sunday School rooms.

President of the Kiwassa Club, Mrs. W. Bruce Morris, thanked the speaker for her very informative and interesting address, and introduced two guests, Mrs. Gordon Courtice and Mrs. Ben Snider, to the members.

Refreshments concluded the evening with Mrs. C. A. Wanless, Mrs. Gordon Shickel, Mrs. P. W. Higgins, Mrs. Marvin Syer and Mrs. Morris as hostesses.

New Bulky Sweaters Are Simply "Terrific"

By ELEANOR ROSS

Store buyers are using an enthusiastic word to describe the new bulky sweater.

"It's terrific!" they say. And so it is. It's casual, easy and smart, any time, and washes like a dream.

The most terrific type of all seems to be short-cropped white wool cardigan, which is selling like the proverbial hot cakes. And no wonder. It's such a grand little coatlet, warm enough but not too warm. No fashion-wise woman will want to face the months ahead without one.

If you like your sweater fancy, you'll find that some are appliqued with lacy black roses. Others have discreet but pretty ribbon touches. The black lace roses, though, make the sweaters really glamorous.

Just be sure, however, that trimmings on your white sweaters are color-fast and as washable as the sweaters themselves or you may find yourself in real trouble. If there is any doubt, detach the trim before dunking the sweater.

Whether your sweater is of synthetic fiber, wool or wool-blend, treat it with consideration. It doesn't require any special treatment, of course, but it does require frequent sudsing to keep it looking white and luscious.

Remember to use lukewarm soap or detergent suds for wool and wool blends and keep rinse waters at the same temperature. The new knit gloves are so comfortable and the variety of stitches and trims make them interesting to look at. This fall is really the big season for knit gloves. They're longer, too. In fact, there are some in the twelve-button length. Very chic.

FAVORITE JUMPER

On the school steps, on or off the campus, fall and winter, the jumper jumps to new popularity and those who wear it, too. This new version has the princess silhouette with the flared skirt that is the favorite for the young figures. A lovely Danish blue corduroy is used here for the jumper, white jersey for the blouse... both so simple to make when you have Marian Martin's Printed Pattern 9281 to guide you in cutting, fitting, sewing. No wonder more girls are making their own smart dresses than ever before. Sewing is as simple as reading. Any girl who wears a size 8 to 17 likes her princess skirt with graceful fullness. To give her this extra treasured flare, this jumper is fully lined with a sheer Pellon to give it a petticoated flare. The collar of the blouse, too, has white Pellon interfacing which is not affected by blouses. So that it can be washed, keeping its shape and color. Printed blouses require 5 1/2 yards of 35-inch nap fabric, the blouse takes 1 1/2 yards of 39-inch fabric. Just send forty cents in coins (stamps cannot be accepted) for Printed Pattern 9281. Send your order to MARTIAN MARTIN, care of Pentition Herald, Pattern Dept., Pentition, B.C.

Provincial President Addresses WCTU Meet

Provincial president of the Women's Christian Temperance Union, Mrs. L. C. Pallot, and field secretary, Mrs. E. W. Crawford, addressed the fall meeting of the local WCTU held in the Pentition United Church hall.

Representatives from WCTU organizations in the South Okanagan were present when the two officials spoke of their various activities in connection with the temperance group. The provincial president chose as the theme of her inspiring address "Where There is No Vision, the People Perish", while Mrs. Crawford summarized her work as field secretary.

Local president, Mrs. E. C. Deringer, expressed appreciation

to two visitors for their very interesting talks. Refreshments and a social hour followed adjournment.

RISING COLOR

BY ALICE ALDEN

Color rises as the brightly hued hat adds its share of beauty to the fashion parade. Brilliant scarlet plumage, smooth and sleek, is molded by the talented Alfreda into a sleek turban, an ideal choice for a dark costume. The wrapped line is enhanced by a contrasting roll of black and red pheasant feathers that creates a tilted effect.

LET'S EAT

Seasoning Will Perk Up Flavor of Chopped Beef

"Chopped beef, hamburger to many, appears more often than any other cut of meat in many homes," I said to the Chef. "Yet, unless seasoned in an interesting way, it becomes a plain routine food."

"But, Madame," said the Chef, "this is not necessary if one always keeps one fact in mind."

"Chopped beef or hamburger itself has a bland taste. No matter how it is to be cooked, to spark up the natural beef flavor, add to 1 tsp. monosodium glutamate to each pound, even when it is to be barbecued, combined with savory herbs or curry powder. This adds as much to the flavor as sleigh bells do to Christmas."

"Here is my latest chopped beef achievement."

HOME-COOKED spaghetti makes a kind-to-the-budget meal. Low in price, it's high in flavor thanks to quick Italian meat sauce.

CURRIED CHOPPED BEEF "STEAKS"

Blend 1 1/2 tsp. salt, 3/4 tsp. pepper and 1 1/2 tsp. monosodium glutamate into 1 1/2 lbs. chopped beef. Shape into 6 thin round "steaks."

Broil or pan-fry 8 min. in a little butter or margarine.

Meantime, boil together for 5 min: 1/2 c. instant onion, 1/2 c. water, 1 tsp. parsley flakes, 1 tsp. butter and 1 tsp. curry powder. Spoon over the "steaks."

DINNER

Tossed Salad with

Salami Garnish

Spaghetti with

Quick Italian Meat Sauce

Broccoli Vinaigrette

Coffee or Tea Milk

All measurements are level; recipes proportioned to serve 4 to 6.

SPAGHETTI WITH QUICK ITALIAN MEAT SAUCE

Put 1 lb. chopped ground beef

in a mixing bowl. Break up the

meat with a fork. Sprinkle 1/2 tsp.

each monosodium glutamate and

salt over the entire surface.

Melt 2 tbsp. butter, margarine

or olive oil in a frying pan. Add

the meat. Stir in 2 fine-chopped

onions and 1 section minced gar-

lic. Stir-fry until the meat

browns.

Add the contents 1 (1 lb.) can

tomatoes, 1 (6 oz.) can tomato

paste with 1-can measure water,

1 bay leaf, 1 tsp. chopped pars-

ley, 1/2 tsp. thyme, 1 tsp. Worce-

stershire and 1 tsp. salt. Simmer

30 min. Remove bay leaf.

Meantime, cook 8 oz. spaghetti

according to pkg. directions. Add

1 tsp. butter. Serve topped with

the sauce. Pass grated Parmesan

cheese.

PEAR-CUSTARD PIE

Line a 9-in. pie plate with Am-

erican pie pastry. Bake 10-12

min. in a hot oven, 400 degrees

F. Meantime, make up 1/2 pkg.

instant vanilla pudding adding 1

tsp. fine-grated orange rind.

Spoon the pudding into the

pastry shell. Cover with 3 sliced,

peeled ripe Bartlett pears.

Cover with a cooled cornstarch

glaze. Dust over 2 tbsp. chopped

filberts. Chill at least 1 hr.

Decorate with a whipped top-

ping (optional). Serve the same

day.

Cornstarch Glaze. In a pt.

saucepan, blend 1/3 c. sugar, 1 1/2

tbsp. cornstarch, 2/3 c. water and

1/16 tsp. salt.

Add the peel of 1/4 orange (not

chopped). Stir-cook 5 min. or un-

til thick and clear.

Remove the peel. Spread the

glaze over the pears. Chill as di-

rected.

KEEP IN TRIM

Use Tape Measure In Reducing Program

By IDA JEAN KAIN

Diet alone is usually a disappointment . . . the weight comes off the places where it can least be spared. Either that or you wind up your reducing with the same figure, on a smaller scale. You want a better figure. Specific exercises not only stir up circulation in the fat susceptible spots, but tone the muscles. Toned muscles make for a more shapely figure.

One overweight hit upon the

system of reducing by inches, instead of by pounds. She used the tape measure as her "scale." She reports that she didn't talk diet but changed her food habits, stopped overeating and started exercising.

Result? This streamliner reduced waist, bust, abdomen and hips a total of 10 inches in two and a half months. She didn't exercise grimly, but went at slimming joyfully and with a purpose, vividly picturing the figure she wanted.

She made it a rule to stop exercising before she became tired. That is always wise.

Most overweights as well as normal weights want to streamline their hips. So today we'll direct the action there. On the back-sides of the hips there is a fleshy muscle termed the gluteus maximus. When this bulky muscle becomes flabby, hips spread. Of course, with added pounds they spread more. The side hip line is controlled by the gluteus medius and minimus. When these muscles lose tone, bunches of fat settle . . . and ruin the fit of a skirt.

For all-round hip slimmers, take these exercises . . . daily.

To smooth thighline, r-o-l-l with knees bent . . .

Position: Sit on floor, leaning slightly back. Have palms of hands flat on floor at sides. Bend knees and draw toward body, keeping legs together.

Movement: Slowly and heavily

r-o-l-l along one thighline, back across top of hip line and on over to other thighline. Make this a slow motion, heavy roll, 25 counts.

The next two exercises slim bulky buttocks . . . act them out.

Position: Lying on right side, legs straight down, left leg on top of right, head resting on extended right arm, palm of left hand braced on floor near chest for support.

Movement: Swing left leg forward, then swing vigorously rear-swinging but h-o-l-d for a count of 4 on alternate back swings—25 counts. Change sides and repeat.

Position: Same as in above exercise.

Movement: Leading with the heel, and keeping knee straight, make large circles with left leg, 10 in one direction then 10 in the other direction. Change sides and circle right leg, remembering to lead with the heel, keeping foot flexed.

PEACHLAND NEWS

Brownie Pack Holds Annual Fall Hike

PEACHLAND — A full complement of the Peachland Brownie Pack staged their fall hike on Sunday with their leader Brown Owl Mrs. Howard Sismey, in charge.

Mrs. Cora Evans has left for Prince George to spend a week with her son-in-law and daughter, Mr. and Mrs. Don Edwards.

Mr. and Mrs. Dick Renneberg and son Jerry, of Revelstoke, spent the weekend with the latter's parents, Mr. and Mrs. John Knoblauch.

Mrs. Charles Bullock, Trepanier,

has returned from a three-week holiday, visiting friends in Vancouver and Victoria.

Approximately twelve students of grades 7 and 8 from Peachland attended a very enjoyable dance at George Pringle High School on Friday night, which had been arranged by the Students' Council.

A. E. Miller has returned from a holiday trip following the meeting of the UBCM in Nelson. Mr. Miller visited relatives and friends in the Prairie provinces and in Kenora, Ont.

Vees Still Looking For First Victory

GEORGE WOOD, youthful Pen-ticton Vees goaltender, turned in an outstanding game for the local team last night when they dropped a 6-2 decision to Kelowna's high-flying Packers. Kelowna completely dominated play and if it had not been for Wood's fine performance the score would have been much higher.

63 Entered in Racing Classic

LONDON (AP) — Sixty-three thoroughbreds Tuesday night were still entered in the Cambridge-shire Handicap but only about 40 are expected to start in the Oct. 30 running of the classic. Owners will announce today whether they intend to run their horses in the one mile, one furlong race over Newmarket's famed turf course. The draw for the final Irish sweepstakes of the season will be based on Wednesday's list. The Cambridge-shire also is the second leg of Britain's "autumn double" in which the bettors try to couple the winners of the Cesarewitch and the Cambridge-shire. London's top bookmakers plan a betting call-over on the race after the announcement of probable runners.

Warriors Whip Stampede, 4-0

WINNIPEG — (CP) — Ray Mikulan scored his first shutout of the young Western Hockey League season Tuesday night as Winnipeg Warriors blanked Calgary Stampede 4-0 in a Prairie division game before 2,415 fans. It was Warriors' third win in

Canada Cup Series Begins Thursday

TOYKO — (AP) — Golf's world series, the Canada cup competition, begins here Thursday with two Americans whose total age is 92 years favored over topflight professionals from 29 other countries. Sam Snead, 45, and Jimmy Demaret, 47, will defend the team and individual championships won in England last year by Snead and the now-ailing Ben Hogan. At 9:30 a.m. Thursday, 6:30 p.m. MDT tonight, Japan's Torakichi Nakamura will hit the first ball down the fairway of the Kasumigaseki Country Club. Each of 30 countries is represented by two top pros who will compete over 72 holes — 18 holes a day — through Sunday to decide the Canada Cup title based on aggregate scores and the International Trophy given the player with the best medal. Canada is represented by Toronto's Al Balding and Stan Leonard of Vancouver and Lachute, Que.

PELLETIER SPARKLES

Canucks Blank Royals

VANCOUVER (CP) — Vancouver Canucks went to the lead in the Western Hockey League coast division standings Tuesday night when they blanked New Westminster Royals 3-0 before 2,500 fans here. Vancouver now is one point ahead of second-place New Westminster, leaders for nearly a week. The Canucks went ahead 1-0 in the first period, added two goals in the second stanza and pushed a desperate Royal attack in the third. Vancouver goalie Marcel Pelletier stopped 26 shots for his first shutout of the season. Bentley, at the other end, stopped 34. BENTLEY BEATEN The first shot Bentley missed

Packers Display Power As Vees Drop Third Straight

KELOWNA (CP) — Kelowna Packers completed their round of the Okanagan Senior League season without defeat Tuesday night, handing the hapless Penticton Vees a 6-2 beating.

Both clubs were weakened by the flu but it was more telling on the Vees since Hal Tarala's cellar club appear to be desperately in need of the assistance he is trying to get.

Coach Jack O'Reilly of the Packers — angry before the game at the pressure brought to bear on left winger Johnny Utendale, forcing him to go to Penticton rather than Kelowna, said after the first period: "I think I'd better let Hal have him. He needs him."

Bill Swarbrick, hard - digging right winger, pulled off a hat trick, the fifth the Packers have earned in three games.

Greg Jablonski picked up a brace and narrowly missed his third when centerman Ray Powell set him up and he missed in the last few seconds of play.

Brian Roche earned the other packer marker.

Dave Wall broke the shut-out for goalie Don Moog, former Penticton boy working his first game with the Packers, when he drove one from the blue line. Moog tried to deflect it with his leg and missed.

Walt Peacosh scored the other Penticton goal on a lovely rush and a lean-angle backhand.

KELOWNA — Goal: Moog; defense: Smith, Coburn, Pratt, McCallum; forwards: Powell, Young, Roche, Swarbrick, Durban, Kaiser, Middleton, Schmutz, Jones, Jablonski. Penticton — goal: Wood; defense: Tarala, Touzin, Taggart; forwards: Bathgate, Wakshinski, Wilson, Peacosh, Fair, Gunn.

SUMMARY

First Period
1. Kelowna, Swarbrick (Coburn) 5:1.
2. Kelowna, Roche 2:38.
3. Kelowna, Jablonski (Smith) 5:30.
4. Kelowna, Jablonski (Young) 14:02. Pen-ticton: Touzin 12:12.

Second Period
5. Kelowna, Swarbrick (Jones) 4:20.
Penalties: Schmutz and Touzin 5:52.
McCallum 8:50.

Third Period
6. Kelowna, Swarbrick (Powell) 6:35.
7. Penticton, Wall (Wakshinski) 7:21.
8. Penticton, (Wakshinski) Trilla 17:14.
Penalties: McCallum 5:39.

four starts, with all victories at the expense of the Stampede. Earl Ingardfield with two, Art Straton and Mickey Keating scored for Warriors. Mikulan booted out 26 shots including 14 in the second period. Stampede's netminder Al Rollins, who stopped 32 shots, also turned in a brilliant performance and agile work kept the score from going even higher.

TEMPERS FLARE
Tempers flared briefly in the second period of the rugged, checking game when seven of the eight penalties were handed out.

Keating opened the scoring early in the first period on a screened shot from the blueline which caught the lower lefthand corner. Warriors continued to monopolize the play in the early part of the second period and were rewarded with another goal.

Billy Moslenko got a loose puck in front of the Stampede net, passed back to Pete Kapusta, who relayed to Stratton, parked eight feet to the side of the net. Stratton made no mistake on a low drive.

TAGGED PLAY
Ingardfield made it 3-0 before the second period ended when he took Gordie Rednall's pass-out from behind the net, batted it down, and slapped it past Rollins. Winnipeg was short-handed at the time.

Play was rugged throughout most of the third period due to the close checking on both sides. Ingardfield completed the scoring only eight seconds remaining, rounding the net and showing the puck between Rollins' legs on a solo effort.

was a six-foot, waist-high drive by Brent McNab, 180-pound defenseman. The puck hit Bentley in the ear as it sailed into the net. McNab joined Canucks this season from the Quebec Hockey League. The first period was unique. The game-watching timekeeper failed to press his buzzer at the 20-minute mark. The period finished at 20:32 and the second period was shortened to 19 minutes 28 seconds.

Forward Jim Powers scored the Canucks' second goal at 8:33 of the second. Don Van Impe, New Westminster forward, was off with a misconduct penalty when the shot was fired. Vancouver's goal was fired by Vancouver's forward, Don Van Impe, who was off with a misconduct penalty when the shot was fired. Vancouver's goal was fired by Vancouver's forward, Don Van Impe, who was off with a misconduct penalty when the shot was fired.

BY STRIKE

California Racing Threatened

SAN BRUNO, Calif., (AP) — A month-long strike that threatened racing at California's major tracks ended Tuesday night and the abbreviated season at Tanforan — where the walkout started — resumes Thursday.

Local 20 of the Pari-Mutuel Clerks Guild voted to accept a \$4 daily pay raise spread over three years in boosts of \$2, \$1 and \$1. The clerks struck at Tanforan Sept. 23, after 13 days of racing, asking \$5.30. The tracks offered \$5.50.

The old contract called for \$24.60 daily for clerks and \$59.60 for calculators.

Settlement of the strike means that Tanforan will finish the last three days of its scheduled 42-day meeting, including Saturday's \$30,000 Tanforan Handicap at 1-16 miles.

Spieser-Moore Bout Mooted

DETROIT, (AP) — Light-heavyweight boxer Chuck Spieser's manager said Tuesday he and Archie Moore's co-managers will sign today for a title fight between Spieser and Moore in Detroit "early in January."

Joe Spieser, brother and manager of the fourth-ranked contender, said he will sign for his brother and that Jack Doc Kearns and Charley Johnston will sign for Moore.

Moore is being guaranteed \$100,000 for the title defense at the State Fairgrounds Coliseum.

The exact date for the 15-round fight, and the television arrangements have not been worked out yet, Spieser said.

Horvath Gains On Leaders

Boston and Chicago players had a chance to gain ground on the National Hockey League scoring leaders Tuesday night with the rest of the teams idle, but only Bruins' Bronco Horvath could capitalize. The lanky centre scored once to increase his point total to eight—four goals and four assists—and moved into sole possession of fifth spot.

The Leaders
G. A. Pts.
M. Richard, Montreal .. 7 6 13

Shutouts: Chadwick, Toronto; Hall, Chicago; Hodge, Montreal, 1.
Penalties: Nesterenko, Chicago, 26 minutes.

Homebrews Spark Argo Attack

One of two homebrew heroes of Argos' 31-23 victory over Ottawa, Bobby Kuntz, is driven back from the goal line here by a Rough Rider defender. Kuntz scored one touchdown and was a big ground gainer with 78 yards in 13 carries. But the big laurels went to Argos' young Canadian quarterback,

Gerry Doucette, who directed the Soullers' attack with the precision of a veteran. His passing — nine out of 13 — was the best Argos have had this season and may have won him the regular quarterback job for next season. The loss spoiled Ottawa's hopes of gaining first-place in the Big Four battle.

Kamloops Club Clicks For Easy 10-2 Triumph

VERNON — Canadians found it even harder Tuesday night to find their range against Kamloops Chiefs than they did against Kelowna Packers at the weekend.

Tuesday night the Chiefs shelved Vernon 10-2 in an Okanagan Senior Hockey League walk-over. The Canadians went down to Kelowna 8-3 Saturday.

Ron Leopold was the most successful of a string of powerful

Kamloops forwards. He scored three goals. Fred Sasakamoose and Bill Warwick found the mark twice and the other goals came from Bill Hryciuk, Gerry Prince and Gerry Kernaghan.

Odie Lowe and Ron Morgan were the only Vernon men to outsmart the lanky Kamloops team.

The Chiefs were without the services of their pony line — John-

ny Millard, Buddy Evans and Bill Hryciuk, with Millard away on business and Evans home with the flu.

Both teams had trouble getting organized in the first period with only two goals scored — both for the Chiefs.

The first period was only 20 seconds old when Dick Warwick of the Chiefs and Vernon's Ted Laboda were sent to the penalty box by referee Gordie Hamilton for slashing.

Playing coach Bob Dawes of the Chiefs played his first game of the season after being laid up by flu.

The game was punctuated by frequent bursts of temper with the Warwicks getting in on six of the 20 penalties called.

KAMLOOPS 10, VERNON 2
KAMLOOPS — Goal: Jim Shirley; defense: Sasakamoose, Hinchberger, Kernaghan, Dawes; forwards: D. Warwick, Leopold, B. Warwick, Prince, Hryciuk, Marquess, Gabe, Swain.
VERNON — Goal: Gordon; defense: Stecyk, Laboda, Morgan; forwards: Lowe, Madigan, Trentini, Moon, King, Bidoski, Davison, Asar, Schmidt.

SUMMARY
First Period
1. Kamloops, Leopold (Dawes) 9:37.
2. Kamloops, Sasakamoose (Gabe) 12:35.
Penalties: Laboda and D. Warwick 10:2, Madigan 9:27, D. Warwick 3:50, Bidoski 5:16, Kernaghan 10:42, Dawes 16:00, Sasakamoose 16:55, Madigan and Hinchberger 18:10.

Second Period
3. Kamloops, Leopold (Sasakamoose) 3:52.
4. Kamloops, B. Warwick (Sasakamoose, Marquess) 7:55.
5. Kamloops, Prince (Dawes) 9:39.
6. Kamloops, Leopold (Dawes) 14:10.
Penalties: D. Warwick and Stecyk 3:52, Asar 6:45, Stecyk and B. Warwick 10:07, B. Warwick 17:40, Trentini 19:45.

Third Period
7. Kamloops, Sasakamoose 14:5.
8. Kamloops, Kernaghan 6:15.
9. Kamloops, Sasakamoose 14:5.
10. Kamloops, B. Warwick (Marquess, D. Warwick) 7:47.
11. Kamloops, Sasakamoose (Prince, Hryciuk) 8:55.
12. Vernon, Lowe (Bidoski, Morgan) 16:00.
Penalties: Morgan 8:00, B. Warwick 10:25, Schmidt 14:10.

Game Warden Raps Careless Hunters

Game Warden T. Tyler has leveled a blast at careless hunters. "About Sept. 2 a yearling heifer owned by Dick Brown of Oliver was shot and killed near Mica Creek, east of Osoyoos," Mr. Tyler said.

He said that a reward of \$50 has been posted for information leading to the arrest of the guilty party. Information should be turned over to the RCMP or Mr. Tyler.

"The reward has been offered by the Southern Interior Stockmen's Association, Southern Okanagan Sportsmen's Association and Mr. Dick Brown," Mr. Tyler said.

"The sportsmen of this province are continually asking the support of the ranchers in the matter of hunting over privately owned ranch land. The majority of the hunters are good sportsmen and realize it is to their advantage to have the co-operation of the rancher and the farmer. As in this case, the careless hunter, and the willful destruction of property, will kill the rancher — sportsman relationship. You can not blame the rancher for getting hot under the collar."

"The co-operation of every sportsman is needed in weeding out the careless hunter and the lawbreaker," he added. "The game is yours, help the enforcement men to protect it for you."

According to Mr. Tyler, road checks by the Game Commission officers showed a decided increase in the number of pheasants shot in comparison to the past few years. 477 birds were released in the Oliver-Osoyoos and Cawston-Keremeos areas during the year.

No doubt the birds released helped increase the hunters' bag. A number of infractions of the Game Act and Regulations were found by the checking officers. Ten hunters from Vancouver and one from Oliver were charged for carrying loaded firearms in a motor-vehicle.

One hunter from Princeton and one from Keremeos were charged for failing to tag their pheasants. One hunter from Cawston was charged for carrying a firearm without first taking out a licence. Other cases are pending prosecution.

BILL WARWICK, playing on a line with brother Dick and Mark Marquess, fired goals last night as the Kamloops-Chiefs defeated the defending league champion Vernon Canadians, 10-2, in Kamloops.

City of Penticton

PUBLIC NOTICE is hereby given that a hearing before the Council of the Corporation of the City of Penticton will be held in the Council Chamber at 101 Main Street, Penticton, B.C., on Monday, October 28th, 1957, at 7 o'clock p.m. on the proposed Zoning By-law No. 1445 to consider the proposed rezoning of lots three to ten inclusive, map 1386, to R-5-1 single family dwelling, and lot 13, map 1386 to C-1, local business districts, these lots being located on Hastings Avenue; and the rezoning of lot shown on plan B5472 located at Government Street and Nelson Avenue to RN multiple dwelling district.

The Council will hold a hearing at the time and place mentioned above, and all persons whose property will be affected by such proposed Zoning By-law may appear in person or by attorney or by petition. A copy of the proposed By-law No. 1445 and Zoning map may be seen at the City Hall.

Dated at Penticton this 22nd day of October, 1957.
H. G. ANDREW,
City Clerk.

FROM ROSSLAND

Smoke Eaters Take Drubbing

ROSSLAND — (CP) — Rossland Warriors fired four goals within one minute of the third period Tuesday night to skate their way to an 8-3 victory over their arch rivals, Trail Smoke Eaters. The game was Rossland's home debut before 350 fans.

Until the explosive third period scramble hockey dominated the play. Trail's offensive couldn't get in track while the Warriors back-checked constantly and pressed for the breaks which they took full advantage of.

Goaltender Seth Martin of Trail was once again the busiest man on the ice as he handled 48 shots successfully while Rene Zanier in the Warriors net handled 23.

Rossland's eight goals were divided among Paddy McCabe, Pincho McIntyre, Steve Chorney, Gil Desrosiers, Bud Andrews, George

Ferguson, Frank Turik and Yogi Kraiger.

Cal Hockey fired two for Trail while linemate John Rypien flipped in the other Trail tally.

Ten penalties were handed out with four major's being awarded among Warriors' Kraiger and Ferguson and Trail's Ferenz and Bursaw — all for fighting. Both clubs received five penalties each.

The clubs swapped goals in the first, repeated the procedure once again in the second, and then Rossland broke away firing six to Trail's one.

Weetman Draws Year's Suspension

LONDON (AP) — The British Professional Golfers' Association Tuesday suspended Harry Weetman from competition for a year for sounding off about his treatment as a member of the British Ryder Cup team.

Weetman was barred from playing in tournaments in which about \$84,000 in prize money will be at stake.

Weetman had protested being dropped from the singles in the Ryder Cup match at Lindrick, Oct. 5, in which Britain's pros defeated the United States for the first time in 24 years.

Nesterenko, Hull Pace Black Hawks

LIONS AREN'T ONLY TEAM IN WIFU WITH TROUBLES

REGINA (CP)—R. H. Gillies, secretary-treasurer of the Western Interprovincial Football Union, said Tuesday attendance at home games of the Saskatchewan Roughriders is down this season compared with 1956 figures.

Gillies said the Riders this year played before a total of only 70,300 fans at their first six home games, compared with 75,600 spectators last year.

For the entire eight-game schedule last year 96,800 fans attended the home games.

Hockey Hassle Goes To Court

MIDLAND, Ont. (CP)—George Dudley, secretary-manager of the Canadian Amateur Hockey Association, said Tuesday an action by Sault Ste. Marie Greyhounds to retain a player could conceivably "cause chaos to all clubs" in the CAHA.

He referred to an interim writ obtained by the Sault team from district court judge J. H. McDonald that restrains the CAHA, Ontario Hockey Association and Northern Ontario Hockey Association from preventing Tommy Walker from playing with Greyhounds in the OHA-NOHA senior A league.

Walker played last season with Stratford Indians in the OHA western division, which played an interlocking schedule with the NOHA. The leagues affiliated this year and when Stratford folded, Walker was drafted by Kitchener-Waterloo Dutchmen.

A CAHA hearing last week refused Walker's request to play with the Greyhounds. The team signed him anyway, claiming Walker was a free agent.

C. T. Murphy, Sault attorney and team vice-president, said the case will be heard Oct. 30 in Toronto.

Dudley said in a telephone interview a court decision against the CAHA ruling could "cause chaos to all clubs. If that regulation is no good then which one is? Everybody and all clubs could do what they want."

Kitchener-Waterloo drafted Walker under a franchise agreement among the OHA teams. Dudley said the agreement was recognized by the CAHA and thus by all member teams.

Murphy said the franchise agreement applied only when teams folded during the season and not the off-season when Stratford disbanded.

Chicago Racks up 2-1 Win

CHICAGO (AP)—Chicago Black Hawks scored twice in the first period, then hung on to defeat Boston Bruins 2-1 in a National Hockey League game Tuesday night.

Chicago's goals were scored by rookie Bob Hull and Eric Nesterenko, both during the final four minutes of the opening period.

	P	W	L	T	P	A	PP
Montreal	6	4	0	2	28	10	10
Boston	6	4	2	0	18	14	8
New York	2	2	2	1	14	14	5
Chicago	2	2	4	1	10	21	0
Detroit	2	2	3	0	11	18	4
Toronto	5	1	4	0	14	18	2

Games Wednesday, Oct. 23, Toronto at New York.

Bronco Horvath clinched a second period in which the Bruins out-fought the Hawks with a goal at 19:54, when the Hawks' Ted Lindsay was in the penalty box.

The loss was the Bruins' second in six games, while the Hawks, who now are tied with Detroit and New York for third place, show a record of two victories, four defeats and one tie.

GOALIES OUTSTANDING

Both goalies, Glenn Hall of Chicago and Boston's Don Simmons, played outstanding games. Hall was credited with only 21 saves to Simmons' 38, but many of the Chicago net minder's were on close drives.

In the final period, Chicago reversed the pressure, pouring 19 shots at Simmons, while Hall was called on to make seven saves. Chicago showed raw power in the first period also, firing 16 shots at Simmons.

Hull's goal was the first of his NHL career.

BOSTON 1, CHICAGO 2

First period: 1, Chicago, Hull 16:00; 2, Chicago, Nesterenko, Cushman, Lindsay, 18:24. Penalties: Pflaum 11:34, Nesterenko, 13:27.

Second period: 3, Boston, Horvath, Bueck, McKenny, 19:54. Penalties: Horvath, 7:32, McIntyre, 16:18, Lindsay 18:31.

Third period: Scoring: None. Penalties: Toppazzini 1:54, Armstrong 6:32, Bolvin, 14:47.

Shots: Simmons 38 6 19 — 41. Hall: 6 8 7 — 21.

The pulp and paper industry's wage bill exceeds the combined wages paid by the three industries that, after pulp and paper, rank as the largest industrial employers.

COACH TALKS IT UP

Youthful players listen attentively as George Christie, left, coach of Penticton's juvenile hockey team, gives a few words of advice. The players are, from left, Reg Dunham, John Zibin, Harley Hatfield, Al

Richards and Harry Lund. The team, which plays in a valley juvenile league, will open its season in the second week of November.

Ortega Gains Split Decision Over Gavilan

LOS ANGELES — (AP) — Mexico's Gaspar Indian Ortega punched his way into the muddled welterweight championship picture by scoring a split 12-round decision over Kid Gavilan of Cuba Tuesday night.

Each weighed 146.

The 22-year-old youngster from Tijuana, a remarkably poised and cool scrapper despite his years, came from behind in the last five rounds of a closely-fought battle to earn the victory.

The verdict was subject to some boos from a disappointing crowd of 5,000 gathered in coolish weather in Wrigley Field.

SCORING SPLIT

Referee Frankie Van, under California's 10-point-must scoring system, scored it 115-113 in favor of Ortega. Judge Tommy Hart had it 115-112 for the Mexican youngster, while Judge Dynamite Jackson scored it 117-113 for Gavilan.

The Associated Press had it 116-115 for Ortega.

Each round bristled with action but neither fighter showed a mark despite the hundreds of punches thrown during the 12 rounds.

The winner has been promised a fight with another ranking contender, Vince Martinez, in a series that may lead to a fight for the title vacated by Carmen Basilio.

The 31-year-old Gavilan, who won the welterweight championship in 1951 and lost it in 1954 to Johnny Saxton, was the aggressor during most of the fight.

Ortega proved a strong counter puncher and took the best of the Kid could throw with hardly a change of expression.

HITS CENTURY MARK

James Regains Scoring Lead

WINNIPEG, (CP) — Gerry James of Winnipeg Blue Bombers vaulted back into first place in the Western Interprovincial Football Union individual scoring race during the weekend, collecting 19 points in two games.

Statistics compiled Tuesday by The Canadian Press showed James with 100 points on 15 touchdowns, three field goals and a single. With all clubs having two games left to play, James holds a nine-point margin over Jackie Parker of Edmonton Eskimos, who was one point ahead of teammate Johnny Bright and four up on James a week ago.

Pastrano Impresses Britons

LONDON (AP)—Willie Pastrano goes back to the United States today after convincing Britons his chances are good of becoming the first all-out boxing stylist to capture the world heavyweight title since Gene Tunney.

The 21-year-old boxer from New Orleans, La., earned British cheers with a 10-round decision over 23-year-old Welshman Dick Richardson Tuesday night in what may herald a new era in the heavyweight world where sluggers have reined supreme.

A sellout crowd of 11,000 hailed Pastrano's victory as one man. They revelled in the way Pastrano left-jabbed and boxed his way to victory against slugger Richardson. Pastrano reduced Richardson to a blood-dripping wreck at the end.

Parker and Bright each scored a touchdown in Esk's single game during the weekend. Parker, with 14 touchdowns and single, remained one point ahead of Bright.

Two other Eskimos follow. Placekicking end Joe Mobra is fourth with 84 points on two touchdowns, 46 converts, seven field goals and five singles. Normie Kwong has 13 touchdowns for 78 points.

Mobra leads the league in converts, field goals and singles.

The leaders:

	TD	CFG	S	Pts
James, Bombers	15	0	3	100
Parker, Esk	15	0	0	91
Bright, Esk	15	0	0	90
Mobra, Esk	2	46	7	84
Kwong, Esk	13	0	0	78
Bailey, Lions	9	0	0	54
Ploen, Bombers	5	20	0	50
Marlow, Riders	7	0	0	42
Hunt, Lions	2	19	2	37
Cameron, Lions	6	0	0	36
Carpenters, Riders	6	0	0	36
Lewis, Bombers	6	0	0	36
W'house, Riders	0	24	4	36

GARDEN STATE STAKES

Jewel's Reward Goes After World's Richest Horse Race

NEW YORK (AP) — Elizabeth N. Graham is sending a colt named Jewel's Reward after the world's richest horse race Saturday, the \$290,000 Garden State Stakes at Camden, N.J.

But, though she insists on perfection, you may be sure that the little dynamo, world renowned as Elizabeth Arden, the Ontario-born cosmetics queen, will not sell Jewel's Reward, leading contender for the two-year-old championship, if he doesn't win the race.

LeBaron Top Passer in U.S. Pro Loop

PHILADELPHIA, (AP) — The offensive leaders in the National Football League with one-third of the season completed are little Eddie LeBaron of the Washington Redskins and Thomas Wilson of the Los Angeles Rams.

Statistics released today showed LeBaron, who played with Calgary Stampeders of the Western Interprovincial Football Union in 1954, tops the NFL passers while Wilson is leading ground-gainer.

LeBaron's 10.65-yard average gain was slightly under the 10.67-yard mark he had a week ago. The former College of the Pacific star has tried 58 passes and hit with 38 for 627 yards and six touchdowns. Only three of his passes have been intercepted.

Wilson, an NFL star with no college experience, has picked up 329 yards on 69 carriers for a 5.7 average.

Jim Mutscheller of Baltimore Colts is the league's top scorer with 42 points.

DAILY CRYPTOQUOTE — Here's how to work it:
A X Y D L B A A X R
IS LONG FELLOW

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

M V O K Q B O U D B P J W B X W B
C U B X K Y P G O J W Q K O — O K A C K B

Yesterday's Cryptogram: THERE IS NOTHING EITHER GOOD OR BAD, BUT THINKING MAKES IT SO — SHAKESPEARE.

CONTRACT BRIDGE

in the play of the cards on the easy hands than are made on the difficult hands. The reason is that in the ordinary course of events there are many more simple hands to play than there are complicated ones, and because there are therefore more opportunities for error, mistakes on easy hands outnumber those on difficult ones.

A typical example is found in today's deal. Declarer played a low club from dummy and won the opening lead with the seven. South could count to nine tricks — three clubs, four diamonds and two aces — but the count was false. The four diamond winners were easier to count than to take.

He cashed the king of diamonds and led the queen and overtook with the ace. When the jack failed to drop the outstanding ten, South resorted to a heart finesse. West took the queen with the king, returned a heart, and declarer wound up with eight tricks.

South's failure to make the contract can be traced to his opening play. He should have won the club lead with his ace or king. Obviously, West had opened from his long suit. By refusing to win the open-

ing lead cheaply, declarer could assure himself of a subsequent entry to dummy's jack of clubs.

South can see he has nine tricks in his two hands. His only concern is to find a method of play that will permit him to cash all four diamonds. This cannot be done with complete safety if a diamond honor is overtaken in dummy.

Proper play requires declarer to win the first two tricks with the ace and king of clubs. When East shows out on the second club play, dummy's jack becomes an assured entry.

The K-Q of diamonds are cashed first and then a club is led. What West does now cannot matter. The diamonds have been unblocked, the jack of clubs is an entry to cash the remaining diamonds, and nine tricks are in the bag.

Armed Men Grab \$4,000 From Bank

NORWOOD, Ont. (CP) — Two armed men held up the Royal Bank of Canada branch in this town 18 miles east of Peterborough just after opening today and escaped with between \$3,000 and \$4,000.

First reports were there was no shooting.

Police said they have good descriptions of the two and have no reason to believe this holdup has any connection with the slaying of bank manager J. J. Walter Bridges in the attempted holdup two weeks ago of the Royal Bank branch in Elind River, 65 miles east of Sault Ste. Marie.

Your Horoscope

THE STARS SAY — By ESTRELLITA

FOR TOMORROW

This day's planetary vibrations are excellent. They favor business, finance, legal and artistic matters; also personal relationships. You should have smooth sailing now.

FOR THE BIRTHDAY

If tomorrow is your birthday, your horoscope indicates that, while you may not make quite as much progress as you would like during the next two months, this period can, nevertheless, be very helpful. Use it to further long-range plans, to make new contacts and to lay the groundwork for expansion of your interests during the early months of 1958 — a period which promises to be highly productive.

While you may find your daily routine somewhat irksome during these comparatively "slow" months, you should nevertheless find great happiness in your personal relationships, since the vibrations will be excellent for home, family and so on interest. Those with creative leanings will be under fine

stimuli during mid-1958 and, for all, this will be a good cycle for travel and romance.

A child born on this day will be affectionate, generous and unusually intuitive.

"Could you ever guess, Professor, why classmates call me 'Little Egypt'?"

EGYPTIAN TROOPS AND ARMS SENT TO SYRIA

Heading for the Syrian port of Latakia, an armed Egyptian convoy carries army units to bolster the Middle East country against what is called "hostile" movements by Turkish troops. The reinforcements landed under cover of Egyptian naval units and planes of both nations. Latakia is about 30 miles south of Turkey.

Stock Market Worries Plague Small Investor

BY L. A. BROPHY

Associated Press Business Editor
NEW YORK — (AP) — No doubt there are millions of persons today who are worried about the stock market. They likely are talking to themselves or their friends and neighbors saying "seems as if every time I buy a stock it goes down."

Maybe they have one share, 10 shares or 100 shares. There are two things they have lost sight of: (1) Nothing continues to go up all the time, not even Sputnik; (2) and how high is high? how low is low?

These are times when the amateur investor gets hurt and concerned.

You buy stocks for two reasons. To make a profit by selling higher or as an investment.

Almost any stock you bought beginning four years ago and right

Britain Ready To Continue Egypt Talks

LONDON, (AP) — The foreign office said today Britain is ready at any time to resume talks with Egypt on the settlement of financial claims and counter-claims growing out of the Suez invasion.

The talks, started in Rome Oct. 9, appear to have foundered over what is considered an Egyptian "misunderstanding."

CCF Prepares To Celebrate Anniversary

OTTAWA, (CP) — The CCF will celebrate the 25th anniversary of its founding Dec. 2 to 7.

Party headquarters said today that banquets with special speakers will be held throughout Canada during the first week of December.

A major project in celebration plans is preparation of a bilingual souvenir booklet with articles by leading party members.

Meanwhile, CCF headquarters announced that Carl Hamilton, 30, has been appointed national secretary to succeed Lorne Ingle who resigned recently.

Sees End of Unemployment

NANAIMO (CP)—Labor Minister Lyle Wicks said yesterday B.C.'s unemployment problem will soon be a thing of the past.

"The development of the Rocky Mountain Trench will open up the province. Cities will arise, the pulp and paper industry will expand; there will be steel produced in the northern part of B.C."

He told the Provincial Council of Carpenters' convention here that nothing would be given away in the trench development.

"There will be no tax exemptions and sales tax will be charged on every piece of equipment bought for the area."

Expansion in B.C. jumped 75 percent in 1956 over the previous year, he said. Construction rose from \$700,000,000 to \$1,200,000,000.

He commended labor leaders who improved salaries through negotiations in the last 10 years by 100 percent. The actual increase is about 50 percent as the cost of living has risen 52 percent in the same period, he said.

B.C. to Pay Share Of Pension Boosts

VICTORIA (CP)—Premier Bennett said yesterday British Columbia would pay its share of the pension increases announced in Ottawa.

At the same time the premier indicated he felt the new Conservative government could have done better.

"I'd have been happier if the pension had been upped to \$60 (instead of \$55) and if the federal government had agreed to pay a bonus for those in need over and above the basic pensions," he said.

Health Minister Eric Martin estimated that the increases will cost the province more than \$500,000 annually.

B.C. pays half of old age assistance for the 65-69 age group, as well as a cost-of-living bonus for those who can pass a means test.

Reduction in the number of years required residence in Canada from

20 to 10 will make an increased number of British Columbians eligible for pensions.

Officials at the local federal welfare offices were unable to estimate how many persons will be affected. At present a total of 101,000 persons in the province receive old age pensions.

Ferry Troubled By Ice in River

DAWSON CREEK, (CP) — A ferry began operating across the Peace River today at the site of the Alaska Highway bridge which was closed when one span collapsed last week.

Army engineers, who maintain the highway, immediately reported trouble from ice in the river. Officials here said crews will work around the clock to keep the ferry operating and ice will be dynamited if necessary.

The ferry, the Moberley Queen, has a capacity of 50 tons. An army spokesman said an alternative route over a Pacific Great Eastern Railway bridge, should be ready in about seven days. The span must be planked over and approach roads built.

Last of "Kettles" Goes Under Torch

VANCOUVER (CP) — The day of the Canadian Pacific "tallow pot"—or steam locomotive fireman—has ended in British Columbia.

An era which began with the confederation of the provinces closed when the last steam locomotive on the CPR's B.C. District left here with her stack covered, her tie-rods stripped, headed for Calgary and the acetylene torch.

The railway's B.C. District now is completely dieselized, the first in the company's system.

Engineer Alex Robertson, of Vancouver, 35 years with the company, was one of the first to take over the 2-9-0-type locomotive after it was constructed at the Angus shops in Montreal in October, 1923.

There were no tears in his eyes as he looked on the last of the "kettles" in his region. But there was a glint when he said, "We used to drive these babies—today we just ride the diesel."

Blast Rocks Surrey School

CLOVERDALE (CP) — RCMP were investigating an explosion caused by a home-made bomb which blew out five windows of Queen Elizabeth High School on the King George Highway last night.

Surrey School Board officials said a piece of pipe, filled with explosive, was thrown through one of the school's windows.

Apart from broken glass, no other damage was reported and no one was injured.

PROVINCIAL ROUNDUP

AWAIT TYPHOON

FORT BRUCKNER, Okinawa — (AP) — Okinawa was on the alert today for typhoon Judy, expected to hit the island and its big U.S. base within 48 hours. The storm was located 900 miles southeast of Okinawa, with centre winds of 144 miles an hour and gusts up to 195 m.p.h.

FIRST WOMAN LAWYER

PIETERMARITZBURG, South Africa Reuters — Miss Panamathy Muthu Krishna was admitted as a member of the Natal provincial division of the Supreme Court here — the first Indian woman to be admitted as a lawyer in South Africa.

LARGE FAMILY STRICKEN

CHICAGO — (AP) — Mrs. Albert Williams, 41, intended to take her new-born twins home today but had to change plans because 10 of her 19 children are sick with whooping cough. Three grandchildren are also sick. The 13 children, including a married daughter, were quarantined with Mrs. Williams' husband, Alonzo, 57.

10 DIE IN BUS

MEXICO CITY — (AP) — A bus loaded with 50 passengers hurtled 250 yards down a ravine near Pachuca last night, killing 10 and injuring at least 20.
